

adelaide travellingworkshop

The Australian Sonographers Association is pleased to announce a Travelling Workshop is coming to Adelaide on 13 March 2010 in response to the high demand for high-quality education outside the major capital cities.

The workshops cater for sonographers living in small capital cities as well as rural locations across Australia and New Zealand. The Travelling Workshop series brings expert sonographers in their field to different areas of the country to share their knowledge and experience. Presentations, live scanning, hands-on and interactive workshops take place during the day.

What every sonographer needs to know—Abdominal Doppler sonography Tracey Harrington

Program

8.30am	Registration, arrival tea and coffee
9.00am	Aorto-Iliac arterial disease and graft assessment
10.30am	Morning tea
11.00am	Renal arterial duplex
12.30pm	Lunch
1.30pm	Mesenteric arterial duplex
3.00pm	Finish

Presenter

Working in the sonography profession for the last 16 years Tracey has had the opportunity to experience many areas of ultrasound developing a particular passion for both Vascular ultrasound and sonographer education. Tracey currently divides her working life between sonography (in clinical practice in Wollongong) and teaching medical students at The University of Notre Dame in Sydney. Tracey also contributes to the Clinical Skills Centre for medical students at The University of Wollongong and the Graduate Sonography Program at The University of Sydney. Tracey is currently completing a Masters in Medical Education.
