

western australia branch **meeting**

Contrast imaging - the RPH experience

Presented by Marilyn Zelesco
Lead Sonographer, Royal Perth Hospital

Marilyn Zelesco is a tutor sonographer at Royal Perth Hospital, with over 24 years experience in sonography and education.

The future of sonography – what every sonographer needs to know!

Presented by Elaine Trevaskis, CEO – ASA

As the peak body and leading voice for sonographers, the ASA has been involved in many significant areas of representation and advocacy over the past 12 months with a number of topics ongoing or about to commence. Some of these issues - particularly education, registration and career pathways - are complex and continually evolving, therefore difficult to comprehend.

Elaine will present an update and respond to questions.

Members and non-members welcome.

Non-members please note:

If you require a Certificate of Attendance for this meeting, a \$25.00 administration fee will apply. The ASA National Office will contact you following the event. This fee does not apply to ASA members.

Date

Wednesday, 1 February 2012

Location

Bruce Hunt Lecture Theatre
Royal Perth Hospital
