

rural and remote sonographer scholarship 2011

applications close 8 October 2010

The ASA is committed to supporting sonographers living and working in rural and remote areas. The scholarship provides support with:

- Registration to ASA2011 Brisbane including travel and accommodation expenses
- Publishing your research in **soundeffects**, the ASA quarterly publication
- Presenting your research at ASA2011 Brisbane

Eligibility

- Applicants must live within Australia, and more than 100km from a major capital city
- Applicants must have conducted a research project or identified a case to investigate
- Applicants must be financial members of the ASA

Key dates

- Applications close Friday 8 October 2010
- All applicants notified of results by 3 December 2010
