Instructional posters

The ASA's instructional posters provide sonographers with a quick reference guide on areas of high interest.

Occupational health and safety posters

The ASA's occupational health and safety posters provide a quick reference guide to assist in minimising injuries to sonographers.

Stickers

The ASA has developed a range of stickers to assist in raising the profile of sonography. Sonographers are encouraged to reward younger patients with a sticker on completion of their examination.

Sonographers Working Safely DVD

The DVD aims to raise awareness of occupational health and safety issues and reduce the number of injuries to sonographers in the workplace.

Obstetric wheel

A popular and easy-to-use tool for sonographers performing obstetric examinations.
