Sonography of the athletic pubalgia

Date: Wednesday 28 March 2012

Time: 7.30-8.30pm AEDT

Presented by Le-Anne Grimshaw, this **asawebinar** will provide overview of the spectre of injuries which may be presented and will include useful references and techniques.

Key learning outcomes

1. Overview of the pathologies encountered.
2. Interpretation of the pathologies encountered.
3. Examination and scanning techniques for hernias, muscle and tendon trauma.

About the presenter

 Le-Anne has been involved with teaching ultrasound for the last 15 years. She has presented at many local, national and international meetings on musculoskeletal sonography. Le-Anne has authored the study guide for the subject "Musculoskeletal Sonography and Advancements in Ultrasound" for the Masters of Medical Ultrasound at Curtin University and is a lecturer for this subject. Le-Anne is employed at Mater Imaging, North Sydney.

About asawebinars

At the ASA we recognise the importance of accessible and affordable high quality continuing professional development to ensure you achieve excellence in sonography practice. By adding to the CPD opportunities on offer, the ASA is providing another solution to enable you to meet the challenges of maintaining best practice and achieving mandatory CPD requirements. Importantly, for PD-**asa** or ASAR CPD program participants, there is no cap on the number of CPD points you can earn each triennium via **asawebinars**.

Minimum technical requirements:

- Desktop or laptop computer with internet connection and speakers
- A recent version of a Web browser, eg. Internet Explorer, Safari
- Adobe Flash, the same technology as in YouTube videos. The latest version is available for [download](#)

To register

Register online at www.a-s-a.com.au

- An email acknowledging your registration will be forwarded with a Tax Invoice/Receipt
- 1-2 days prior to the **asawebinar**, you will receive email instructions on how to connect using your unique identifier

Registration closes

Monday 26 March 2012

Cost

ASA members \$40.00
ASA student members \$20.00

Cancellation policy

No refunds will be granted for cancellations/non-attendance

About your CPD points

This **asawebinar** attracts:
1 PD-**asa** point / 1 ASAR credit
Category 1 (no limit/cap applies)

PD-**asa** participants: Once your attendance is confirmed your activity log will be updated. 

Other delegates will receive a Certificate via email.
