### Checklist

- One electronic copy should be provided to the editor. One hard copy may be forwarded via mail at the discretion of the author(s).
- Manuscript format: Double line spacing, Times New Roman (size 12), no formatting (list your special requests on the cover sheet) with pages numbered.
- PC format (not MS publisher).
- Images not embedded in text but submitted separately as JPG, TIF or BMP files.
- Tables, and legends for figures/images and tables, placed at the end of the document and cited in text.
- All necessary sections of the manuscript referenced and formatted as prescribed in "How to reference for soundeffects".
- Permission obtained to reproduce (both in print and electronically) any material that has been published previously.
- Please submit your manuscripts to: Education Editor/Feature Editor, Australian Sonographers Association National Office PO Box 709 Moorabbin VIC 3189 Australia educationeditor@a-s-a.com.au or featureeditor@a-s-a.com.au.
- The ASA does not take responsibility for any manuscripts lost in transit. Always keep a copy of the manuscript and figures. The ASA requests that authors do not submit excessively long papers (unless unavoidable).
